

Dr.-Ing. Faith N. Karanja, Chairperson, Department of Geospatial & Space Technology, University of Nairobi and the focal person in the University-UNESCO-MoE STEM program "Mentoring Girls in STEM" addressed the 6th Science, Technology, Engineering, & Mathematics, Camp, at Machakos Girls High School, Machakos County.

This year's camp brought together girls from schools in four neighboring counties of Machakos, Makueni, Kitui, and Kajiado.
